

# RAIM Survey – Prize Draw and Compensation

The RAIM survey will include a prize draw to give all participants a chance to win £100 of Amazon e-vouchers. You do not need to complete an additional survey to enter the prize draw. The prize draw will be made 4 weeks after the data collection period for the survey has concluded. If you do not wish to take part in either the prize draw or the individual compensation offer, please email us on [RAIMinfo@leeds.ac.uk](mailto:RAIMinfo@leeds.ac.uk) at any time before the end of the 6 month data collection period.

## RAIM Smart Phone App Survey

As an individual thank-you for the inconvenience of taking part and recognising that you may need to re-charge your battery more often over time, we are offering everyone who contributes to the study for at least 6 months a £25 e-shopping voucher (Amazon). You will be free to switch off the app for individual trips for privacy reasons. To gain the £25 voucher we expect the app to be running 75% of the time. If no or minimal data is collected in the 6 month period, we will enter you into the prize draw instead of providing a voucher. We will use the email address provided as part of the app registration process so that we can send the voucher if you decide you want to participate in this way. You will still be entered into the prize draw if you change your mind at any point and decide not to continue using the app.
